

Dear <Recipient>,

In response to your recent CSR survey request for <company name>, I am pleased to inform you that we can provide in reply, the results of a thorough CSR evaluation. Please find attached our EcoVadis CSR Scorecard, which demonstrates the CSR performance for <Company name>.

This comprises:

- A thorough CSR questionnaire adapted specifically to our industry category <insert your ISIC code or activity>, as well as to our size and location.
- A verification of all documents provided by our company (in response to questions) by EcoVadis expert CSR analysts.
- An evaluation of our company conducted by EcoVadis through their [CSR Methodology](#): They analyze our documents, and score our performance on seven management indicators, across 21 CSR criteria in four themes (Environment, Social/Labor, Ethics, Supply chain). This process is aligned with global standards (UN Global Compact, GRI) takes into account hundreds of certifications and labels (e.g. ISO, as well as industry-specific)
- Our CSR Rating is provided in the attached scorecard, along with benchmark indicators, and a list of strengths, as well as improvement areas.

With this CSR Scorecards, you benefit from:

- Responses validated by independent CSR experts
- The ability to view and compare <Company name> performance against global benchmarks
- Helping us improve CSR practices: By using this process of sharing our CSR Scorecard <Company name> can invest our time and resources in improving our performance (rather than answering redundant surveys).

I am confident this document will exceed the requirements outlined in your survey. If you have questions about EcoVadis or their methodology, you can reach them at support.ecovadis.com.

<<Conditional: if relevant, Include answers to client-specific questions>>

Sincerely,
