

### **Bookshelf Online: Assigned Readings Student Guide**

Assigned readings are designed for instructors to create and customize discrete chunks of content for students. These readings go beyond "Go Read Chapter 1" by providing both a start and an end point, as well as a reading goal, to add focus and a sense of completeion to the reading experience. This study tool allows students to complete their assignments in a view designed to reduce distractions and optimize the time spent learning.

#### To access your Assigned Readings as a student:

Step 1: Click on your Assigned Reading Link

This could be sent to you via Email or posted in your Learning Management System (Blackboard, moodle, D2L, Canvas, etc.)

Step 2: Login to Bookshelf by entering your username and password or create an account

🕌 Bookshelf		Store	Support
	Welcome to   Bookscheels   testytest@ingramcontent.com		English v

Step 3: View your assignment. From here you can:

- View your progress toward completion
- Pick a section to read
- Start the assignment from the beginning
- Go back to a list view of all your assignments

		Organizational Behavior

		Start Assignment

When you click Start Assignment or select a specific reading, you will be placed directly into the selected reading assignment.

### Navigating your reading assignment

Assigned readings allow for a focused study session away from distractions. As a result, we have added features to help aid in keeping you on task.

**Click on the main menu** to slide out the screen showing assignment progress. Jump around to other readings and close by clicking the main menu again
